

GEORGE FADL, M.D.

Physician Analyst

fadl@wtotrial.com | P 303.244.0112

BIOGRAPHY

George Fadl has applied his background in medicine to help lawyers by reviewing and explaining medical records, drafting medical chronologies, conducting medical research, preparing materials for depositions, mediations, and settlement negotiations, and providing presentation support at trial. George has worked as a legal medical consultant since 2004, and has worked at large national firms across the country. Prior to joining WTO in 2016, he worked at a personal injury firm in Georgia for eleven years.

George earned his M.D. from Cairo University Faculty of Medicine, Egypt. He also earned a certification in clinical research from Rutgers University School of Nursing.

CASES

- Won a defense verdict in federal court for a hospital and its staff against \$27 million malpractice and negligence claims involving a subdural empyema.
